

Tobacco Information

December 16, 2025

Review each form carefully and complete all steps.

Non-Compliant Distributors

Any distributor who has not filed the statutorily required reports with the Attorney General's Office will be considered non-compliant and is in danger of having its license revoked. A non-compliant distributor will receive a 10-day notice detailing what is owed and if the non-compliance is not cured in that 10-day period, the Attorney General's office will initiate the process for licensure revocation.

What's Banned

Manufacturers and brands NOT listed on the Directory of Participating Manufacturers or on the Directory of Compliant NPMs are NOT to be sold in Illinois and the stamping of those products is prohibited.

Distributor Affidavits for 2025 and Future Sales

Cigarette and OTP Distributors: Included in the 2025 fourth quarter mailing is an affidavit for cigarette distributors and all licensed OTP distributors who filed quarterly reports in one or more quarters in 2025. All licensed cigarette and OTP distributors are required to complete the affidavit and return it by January 20, 2026. The Cigarette Distributor Affidavit included an addendum for reporting cigars classified as cigarettes in Illinois in 2025. Cigars that are not considered cigarettes are also reported on the affidavit.

Please review the instructions and definitions for the cigars to which the addendum applies.

Each year an affidavit is included in the fourth quarter mailing and must be completed on or before January 20 of the following year. Any licensee who cancelled their license in 2025 will still be required to provide a 2025 affidavit.

Little Cigars Classified as Cigarettes for Tax Purposes

Illinois legislation requires "Little Cigars" that meet the definition to have the tax paid at the same rate as cigarettes. Our office has included questions on the annual distributor affidavits regarding the brands and quantities stamped with Illinois excise tax stamps as well as those for which the tax is paid at the cigarette or OTP rate. **Distributors that sell little cigars in Illinois must retain documentation, including the purchase and sales invoices, and make it available to the OAG upon request.** In particular, our office requires distributors to confirm the amount of cigarettes sold with the Illinois tax stamp affixed as well as the amount of little cigars sold with Illinois tax stamp affixed.

All cigarette license holders must complete the Little Cigar Affidavit.

NPM Sales and Inventory Information

Included in each quarterly mailing is a form that distributors, which report sales of NPM brands on the Distributor Quarterly Report of Non-Participating Manufacturers' Brands, **MUST** complete for each brand family. In addition to the purchase and sales invoices that distributors have been required to provide each quarter, this form allows the distributor to document the beginning inventory, quantity purchased, ending inventory and sales to the other states of any brand families that are stamped for sale in Illinois or for RYO on which the OTP tax has been paid. Distributors are required to maintain and make available to the OAG all invoices and documentation of sales of all NPM cigarettes, including RYO, and any other information relied upon in filing quarterly reports, for a period of five years. **The submission of invoices or computer reports showing sales of NPM products in Illinois does not relieve the distributor of the duty to complete the distributor quarterly report and to list the information in columns a-f for each brand family. Failure to fully complete the form is considered non-compliance and may result in the initiation of licensure revocation.**

Prevent All Cigarette Trafficking Act

Under the Prevent All Cigarette Trafficking Act ("PACT ACT"), individuals and businesses **outside of the state of Illinois** that sell cigarettes, RYO and smokeless tobacco products within Illinois must file reports with **IDOR** no later than the 10th of each month which includes a memorandum or copy of the invoice covering *all shipments of*

cigarettes into Illinois during the previous month. To register, contact IDOR. In 2024, in addition to the reports sent to IDOR, the Distributor Quarterly Report of PACT Act Transactions form must be submitted in addition to the quarterly report of NPM sales. Enclosed in the quarterly mailing is the Distributor Quarterly Report of PACT Act Transactions form.

Illinois Directories

The Illinois Directory of Participating Manufacturers and the Directory of Compliant NPMs include brand styles that have been certified under the Cigarette Fire Safety Standard Act as well as brand families certified as being in compliance with the Tobacco Product Manufacturers' Enforcement Act of 2003. In order to be lawfully sold in the state of Illinois, both the manufacturer and the brand family, as well as the brand styles, must appear together on one of the directories.

ATTORNEY GENERAL

December 16, 2025

To: All Tobacco Products License Holders

Tobacco Products License Holders include distributors, retailers, wholesalers and manufacturers who have an “Illinois TP License.” A TP license allows a business to sell tobacco products, including roll-your-own (RYO) tobacco (i.e. any tobacco which, because of its appearance, type, packaging, or labeling is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes). Anyone who has a TP license **MUST** file a “Distributor Quarterly Report of Sales of Non-Participating Manufacturers’ Brands” each quarter with the Office of the Illinois Attorney General whether or not they have any sales of RYO tobacco.

If you are receiving this letter you are required to report.

The Tobacco Products Manufacturers’ Escrow Enforcement Act of 2003 provides that the only RYO tobacco products allowed to be sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Manufacturers not participating in the MSA (Non-Participating Manufacturers). Both the manufacturer and the brand must appear together on one of the Directories, an updated list of which can be found here: [Fire Safe Directory NPM 6-28-24.pdf](#).

The sale of all other RYO tobacco products is prohibited and may result in the suspension or revocation of a TP license, criminal prosecution and additional legal action.

Failure to provide all required reports to the Attorney General may result in the revocation of any license to distribute tobacco.

You are required to fill out the following forms (which are enclosed) on a quarterly basis and file them with our office, along with copies of all purchases and sales invoices according to the schedule outlined below:

- **Distributor Quarterly Report of Sales of Non-Participating Manufacturers’ Brands;**
- **Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1); and**
- if you are an out of state licensed distributor, the **Distributor Quarterly Report of PACT Act Transactions**

Please note that our Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands and Dist-1 forms have changed and should be reviewed carefully. This report is to include sales of RYO product made by Non-Participating Manufacturers. The Attorney General Rules require that the forms be filled out completely. The license holder must also indicate whether or not they pay the Illinois Tobacco Products Tax (OTP Tax) for each brand listed. You may provide a computer report of the RYO sales, but you **MUST** also provide the information in columns a-f on the **Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands**. Write your license number in the upper right box and provide your address and contact information on each form, along with an e-mail address.

Quarterly Reports are due according to the following schedule:

Quarter	Date Range	Report Due
First	Jan. 1 - Mar. 31	April 20
Second	Apr. 1 - Jun. 30	July 20
Third	Jul. 1 - Sept. 30	October 20
Fourth	Oct. 1 - Dec. 31	January 20

Please return the completed forms, copies of all purchase and sales invoices, and any attachments prior to January 20, 2026.

Enclosed are copies of the following:

1. Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands;
2. Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1);
3. Distributor Quarterly Report of PACT Act Transactions;
