

Non-Participating Manufacturer Certification of Little Cigar/Cigarette

Part 3: Definition of Little Cigars

- 1. "Little Cigars" as used in Part 2 above and Part 4 of NPM-3 refer to any roll, made wholly or in part of tobacco, where such roll has an integrated cellulose acetate filter and weighs less than 4 pounds per thousand and the wrapper or cover of which is made in whole or in part of tobacco.
2. Little Cigars also include any brands that continue to be taxed under OTP tax.

Part 4: Manufacturer Certification

Under penalties of perjury, I state that, to the best of my knowledge, all of the information contained in the Certification and any attached documents are true and accurate and that I am a person authorized to bind the manufacturer making this certification either under the laws of the State of Illinois or of the jurisdiction where the manufacturer resides or is organized. I understand that the Attorney General may require additional information and/or documentation to determine whether the manufacturer qualifies for listing on the Illinois Directory. This document must be signed and dated by an authorized notary public only if not being filed through the electronic portal as determined by the Office of the Attorney General.
